

FLAT BACK STONES

► Preciosa Flat Back Stones are easily applied to a wide range of materials; whether you are gluing, hot-fixing or sewing them on. Most exclusive Preciosa product is the MC Chaton Rose VIVA 12[®]. Known for its brilliance, sparkle and glitter, it features a more intense AB effect and an even greater glue-joint resistance. Preciosa Flat Back Stones are available in a vast array of shapes, sizes, colours and coatings.

SEW-ON STONES	112

No Hotfix Stones

► These stones are designed for application by gluing and have a highly resistant multilayer silver foiling that protects against damage and intensifies their brilliance. Our No Hotfix Stones can be easily fixed with recommended one- or two-component glues on various types of surfaces.

PRECIOSA products that carry our new Lead-Free Brilliance symbol contain less than 0.009 % lead (< 90 ppm) and are made according to the highest environmental and sustainable manufacturing practices. These premium products meet the most stringent industry standards and international certifications.
