

CHANDELIER TRIMMINGS

► *Charm of a traditional glitter*

Carefully compiled assortment of Preciosa Chandelier Trimmings allows for a wide variety of applications. Diverse shapes, colours and metal coatings are the features that make them multi-purpose. The high quality of crystal, perfect processing and excellent utility properties are the reasons that our Chandelier Trimmings are considered to be high-end products worldwide. Preciosa Chandelier Trimmings provide ideal components for both the repair and reconstruction of historical lighting fixtures, as well as the most up-to-date design chandeliers. Many designers find that Chandelier Trimmings inspire them for their jewellery designs as well.

Chains

► *Be inspired and creative!*

Preciosa Crystal Components is now presenting a new line of chains made from chandelier trimmings. Succumb to the charm of sparkling glass and be inspired by surprising colour combinations in our completely new offer of chains. Create your own unique combination of sizes and colours and combine your chosen chandelier components with various metal parts according to your need, wish and taste. Enhance the magic sparkling beauty of our chains with your own original concept and design. We can thus sparkle together – our trimmings and your creativity!

Overview
